

## **Sussex Wine and Cheese Zoom Tasting**

Thursday, 8 April. 6.00 pm -7.30 pm

A journey through the vineyards and cheese of Sussex  
with selected wine producers and High Weald Dairy

English wine is growing in popularity and England is increasingly recognised as a premium wine-producing region. England has more than 450 wineries and around 3.15m bottles produced a year.

English cheeses are widely recognised as being of high quality and interest. A combination of English wine and English cheese must be irresistible.

The evening will be professionally hosted by

Robin Frean, English Wine Advocate and Blogger  
Peter Gladwin, Proprietor of Nutbourne Vineyards and Vice Chairman  
of Wines of Great Britain.

We will have a tutored wine and cheese tasting and the team will talk you through the selected wines and cheese and offer hints and tips on how to identify what's right for you.

The wines and cheeses will be delivered direct to your home, at a cost of £85. In order for the wines to be assembled, together with the cheeses the closing date has to be 26 March. The retail value of the 4 wines is actually more than £85 without the cheese or delivery

If you wish to take part, joining details are overleaf.

You will be tasting these 4 wines, accompanied by 3 cheeses.
