APPLICATIONS

1. To avoid disappointment, candidates are advised to apply for the examination well in advance of the closing date for entries, and to ensure that their complete electronic application (i.e. form and full fee – see also paragraph 4) arrives in the Examinations Office by the deadline date and time. The deadline is the **final** date / time that a completed application can be considered for entry to the examination **but there is no guarantee that places will still be available at this date**. Please note that an application is only deemed complete when it includes all relevant paperwork and the full fee.
2. Although 2 OSCE dates are shown, the examination may be held on only one of the days stated.

WAITING LIST

3. Owing to the strange and very particular parameters that Covid-19 pandemic restrictions has posed to the delivery of many exams, we are conscious that availability of candidate places may be more limited than usual. A decision has therefore been made to set-aside our first-come-first-served approach in relation to entry to this exam, so that applications from current GU Specialty trainees where possible, will be given priority over non-GU trainees on this occasion. Offers of secured entries remain in place for all candidates deferred from the December 2020 exam. The Society will operate a waiting list system if an exam becomes oversubscribed. Candidates will be notified in writing as soon as a place becomes available, and given a short period in which to respond. Please note that should candidates not respond within this time, the place will be offered to the next person on the waiting list.

EXAMINATION FEE

4. The examination entry and re-entry fee is **£950 NET**.
N.B. This is the amount payable to the Society; any transaction charges must borne by the candidate. Candidates who withdraw from the examination after the closing date will trigger a forfeit fee as detailed below.

OSCE PREFERENCES

5. Candidates may express their preference for an OSCE session on the application form. Whilst we will endeavour to meet that preference, indication of a preference does not guarantee a place for that session. Sessions will be allocated on a first-come first-served basis and will be confirmed on the admission document, issued in hard copy after the application deadline.

THE EXAMINATION

6. The examination is mapped to the **Specialty Training Curriculum for Genitourinary Medicine 2016** issued by the Joint Royal College of Physicians Training Board.

7. All equipment is provided, both for the written paper and the OSCE.

WITHDRAWING FROM THE EXAMINATION

8. Candidates who wish to withdraw from the examination must notify the Society in writing. The following withdrawal penalties will be applied:
