

Faculty of the History and Philosophy of Medicine and Pharmacy

## **Programme 2021-2022**

### **September – October 2021, Online Pharmacy History Explorer Course**

Join us for an exploration of pharmacy history from the perspectives of patients, controlled substances, and wider histories. With a range of international speakers, delegates can access pre-recorded online lectures at their own pace during September and October, and take part in live Zoom discussions with the speakers during November.

Wednesday 29 September 2020, Sydney Selwyn Lecture
