

Faculty of the History and Philosophy of Medicine and Pharmacy

Programme 2021-2022

September – October 2021, Online Pharmacy History Explorer Course

Join us for an exploration of pharmacy history from the perspectives of patients, controlled substances, and wider histories. With a range of international speakers, delegates can access pre-recorded online lectures at their own pace during September and October, and take part in live Zoom discussions with the speakers during November.

Wednesday 29 September 2021, Sydney Selwyn Lecture

More care, less medicine: epistemic risk and non-epistemic values at the end of life

Dr Lotte Elton
