APPLICATIONS

1. To avoid disappointment, candidates are advised to apply for the examination well in advance of the closing date for entries, and to ensure that their complete electronic application (i.e. form and full fee – see also paragraph 4) arrives in the Examinations Office by the deadline date and time. The deadline is the **final** date/time that a completed application can be considered for entry to the examination **but there is no guarantee that places will still be available at this date**. Please note that an application is only deemed complete when it includes all relevant documents and the correct fee.
2. Although 2 OSCE dates are shown, the OSCE examination may be held on only one of the days stated.

WAITING LIST

3. The Society will operate a waiting list system if an exam becomes oversubscribed. Candidates will be notified in writing as soon as a place becomes available, and given a short period in which to respond. Please note that should candidates not respond within this time, the place will be offered to the next person on the waiting list.

EXAMINATION FEE

4. The examination:

Full Exam entry (**OSCE & Bo5**) **£1030 NET** Partial entry (**OSCE only**) **£618 NET** Partial entry (**Bo5 only**) **£412 NET**

The above fees relate to first time or re-entry fees.

N.B. This is the amount payable to the Society; any transaction charges must be borne by the candidate. Candidates who withdraw from the examination after the closing date will trigger a forfeit fee as detailed below.

OSCE exam appears first in the schedule; with the Bo5 following approx. 6 to 8 weeks later. You are able to apply for each component independently if you so wish.

OSCE PREFERENCES

5. Candidates may express their preference for a specific OSCE session on the application form. Whilst we will endeavour to meet that preference, indication of a preference does not guarantee a place for that session. Sessions will be allocated on a first-come first-served basis and will be confirmed on the admission document, issued after the application deadline.
