APPLICATION NOTES

Our aim is to approve all applications received. To avoid disappointment, candidates are advised to apply for the examination well in advance of the closing date for entries, and to ensure that their application is complete by the published deadline. The deadline is the **final** date / time that a completed application can be considered for entry to the examination **but there is no guarantee that places will still be available at this date.**

Should applications outnumber available spaces, a waiting list will be implemented and you will be notified if we are able to offer you a place. Candidates on the waiting list will be notified as soon as a place becomes available, and given a short period in which to respond. If candidates do not respond within this time, the place will be offered to the next person on the waiting list.

The stated deadline is only the final date by which a completed application can be considered for entry to the examination; there is no guarantee that places will still be available at this time. Candidates who have extenuating circumstances which do not meet the above criteria will be considered individually by the Head of the Academic Department.

To submit an application, please go to the Shop >Centre for Health Studies Shop available from our website, click into the exams area, choose the exam payment option, select the exam entry you require. On checkout, you will be asked to create an account and finish payment. **You will then be directed to our online platform Brightspace to complete and submit your application form. Please note, only fully completed applications will be considered.**

Candidates whose employers are paying for their examination entry, and who therefore need an invoice from the Examinations Office to prompt the payment, should note that the fee **must** have been paid by the application deadline, and should plan well ahead accordingly.
