Application Notes

Our aim is to approve all applications received. Candidates are advised to apply well in advance of the closing date for entries, and we will give priority to candidates who are nearing their 3-year period since completing the course.

The stated deadline is the final date by which a completed application can be considered for entry to the examination. Candidates who have extenuating circumstances which do not meet the above criteria will be considered individually by the Executive Director.

To submit an application, please go to the Shop >Centre for Health Studies on our website, click into the exams area, choose the exam payment option, select the exam entry you require, or click [here](#). On checkout, you will be asked to create an account and finish payment. **You will then be directed to our online platform Brightspace to complete and submit your application form. Please note, only fully completed applications will be considered.**

Candidates whose employers are paying for their examination entry, and who therefore need an invoice from the Academic Department to prompt the payment, should note that the fee must have been paid by the application deadline, and should plan well ahead accordingly.
